Sub: - CIF for SHGs of Disabled Persons – Reg.

Ref: - Revised Operational Manual-Community Investment Fund (CIF) dtd/
July 13, 2005.

You are aware that the disabled persons and their families in rural areas are more vulnerable due to poverty impacts of disability. So IKP has decided to give higher priority to their concerns in its poverty reduction endeavours.

As part of it, all project functionaries have been instructed through CIF manual to allocate at least 10% of General CIF exclusively for disabled persons and their families in all mandals. This will be in addition to funds allocated from Disability -CIF.

Wherever this mandate has to be fulfilled, project functionaries are instructed to facilitate Mandala Samakhya to provide livelihood support from recycled CIF to SHGs of disabled persons on priority.
